Dear Parents/Guardians,

We are pleased that your child is participating in after-school conference athletics. As a district we would like to make you aware of the new changes that are taking place this year. We are still fortunate enough to offer conference athletics, however due to budget cuts, we will be offering only one-way transportation to select schools. **This means that your child will only be bussed to these select conference games and will need a ride home from these locations:**

Brooks Middle School
Julian Middle School
Lincoln Middle School
Unity Junior High

Two-way transportation will be provided to these locations:

Irving Middle School
Heritage Middle School (Summit)
Stevenson Middle School
Northlake Middle School
MacArthur Middle School
Roosevelt Middle School (River Forest)
Roosevelt Middle School (Bellwood)

The one thing that has not changed is that your child will not be bussed either way to games with Heritage and Freedom Middle School.

Please keep in mind that your child needs to be picked up no later than fifteen minutes of arriving back at your home school or after the end of a game that only provides one-way transportation. If your child is not picked up after the fifteen minutes have expired, one warning will be given and the second time this occurs your child will be removed from the conference team. Failure to pick up your child after an hour has passed may result in the local police being called to pick up your child.

I understand that my child will have certain locations that require no transportation, one-way transportation, and two-way transportation for conference athletics. I am aware that I need to arrange transportation for my child to safely get to and from games.

Dos-caminos de transportación serán proporcionado a estos ubicaciones:

The one thing that has not changed is that your child will not be bussed either way to games with Heritage and Freedom Middle School.
